<http://www.chinacoat.net/>

### 【Date】

November 18-20<sup>th</sup> (Mon.-Wed), 2019

### 【Site】

Shanghai New International Expo Centre (SNIEC) (Shanghai, China)

Hall No.: W3

Zone No.: 8

Booth No.: W3.D35

### 【Contents】

●Polyurethane resin emulsion UCOAT products
●PP Modified Urethane resin SANSPEARL IBG-101
●UV curing resin system for inkjet FINCURE products
●Antistatic pigment dispersant CHEMISTAT products

●Advanced Touch-up Agent for water-based paints NOPCALL W-2730
●Flash Rust Inhibitor for water-based metallic paints NOPCOCHEX 28
●Ink Trans Improver for water-based inks SN-THICKENER A-818
● High Water Resistance Dispersant for water-based paints NOPCALL D-5700 NOPCALL D-5900
●Anti Freezing Agent for water-based paints NOPCALL W-2021
●Fine Silica Type Defoamer for water-based paints NOPTAM 6030PC
●Reactive Emulsifier NOPCALL E-9001 NOPCALL E-9002
